

I  
**WANT**  
**CLARITY**  
**ENLIGHTENMENT**  
**AND TO GET FROM HERE**  
**TO THERE LITERALLY.**

Including an enlightening new line: **Your Navigator** from U.S. Cellular®. It's a GPS system with a local search function built right into your phone. With voice-guided turn-by-turn directions, clarity and direction are just a call or a click away.

U.S. Cellular is wireless where **you** matter most.™
